Serbisyo sa Naliyagan para sa Katawhan during the 2024 Naliyagan Festival with PSA-ADS personnel from June 12-17, 2024.

The Province of Agusan del Sur celebrated its 32nd Naliyagan Festival and 57th Founding Anniversary on June 12-17, 2024. One of the objectives of this celebration is to provide government services to the public specifically to AgSurnons.

With this, the Provincial Statistical Office, one of the stakeholders of the Provincial Government of Agusan del Sur in coordination with NERBAC-ADS provided services on Mobile Acceptance of Application for Civil Registry Documents from June 12-17, 2024. For the whole duration of the festival, the PSA-ADS personnel catered a total of 478 requests of civil registry documents such as Birth, Marriage, Death, CENOMAR and CENODEATH.

This undertaking is conducted every month of June each year during the Naliyagan Festival to serve every Agsurnon who wants to secure a copy of their civil registry documents from PSA. It is an initiative that would provide convenience to each client. At the same time, it would promote the services of the Philippine Statistics Authority in terms of civil registration.

As our commitment, the Provincial Statistical Office of Agusan de Sur is looking forward to providing better civil registration services in the future.
