19 July 2024– Agusan del Sur. The Provincial Statistical Office of Agusan del Sur is set to participate in the flag ceremony to mark the commencement of the 2024 Census of Population and the Community-Based Monitoring System (CBMS) across all Local Government Units (LGUs) within the province. This event underscores the importance of data collection and statistical activities, which play a crucial role in planning and development at both the local and national levels.

The Provincial Statistical Office of Agusan del Sur's attendance at the flag ceremony for the 2024 Census of Population and Community-Based Monitoring System emphasizes the critical role of accurate and comprehensive data in driving effective governance and development initiatives.

This collaborative effort between the Provincial Statistical Office and LGUs is pivotal in achieving a detailed understanding of the population's needs and fostering sustainable development in the region.
