CONDUCT OF THE SECOND QUARTER MEETING OF THE PROVINCIAL INTER-AGENCY COMMITTEE ON CIVIL REGISTRATION AND VITAL STATISTICS

Date of Release: May 29, 2024

Reference No. 2024-023

The Provincial Inter-Agency Committee on Civil Registration and Vital Statistics chaired by the Provincial Statistical Office of Agusan del Sur held its second quarter meeting on May 24, 2024 at Hygeia (Full Humanity Development) Center, Patin-ay, Prosperidad, Agusan del Sur.

The creation of this committee was based on the Office Memorandum 2020-11 dated January 6, 2020 that orders the creation of the sub-national Inter-Agency Committee on CRVS up to provincial level. The second quarter meeting was declared quorum and hit off with the discussion of the Updates of the CRVS Action Plan, Status of Submission of Civil Registry documents and RDC Resolution No. 72-B series of 2023. The committee also agreed on various matters regarding the implementation of Birth Registration Assistance Project in the province to further strengthen the collaboration and achieve high turn-out of registration.

The provincial committee on civil registration and vital statistics is a strong evidence of continuous government efforts to address civil registration gaps and ensure that every AgSurnon has a valid identity and will never be left behind, now and in the years to come.
