

PRESS RELEASE

The Provincial Statistical Office of Agusan del Sur Extends Public Service Throughout the Naliyagan Festival Celebration

Date of Release: 14 June 2024

Reference No.: 2024-024

The Provincial Statistical Office of Agusan del Sur joins forces with Local and National Agencies to deliver essential public services during the Naliyagan Festival Celebration from 12-17 June 2024.

The Provincial Statistical Office of Agusan del Sur, in collaboration with its Philippine Identification System (PhilSys) unit, proudly participates in the annual Naliyagan Festival through its community service initiative, “Serbisyo sa Naliyagan para sa Katawhan,” from June 12 to 17, 2024, at Naliyagan Grounds.

In alignment with its commitment to inclusive national identity registration, the Provincial Statistical Office is extending its National ID registration services to all residents of Agusan del Sur. This initiative aims to ensure that everyone, starting from as young as one year old, has the opportunity to register and be part of the Philippine Identification System. The registration team will be on hand to assist participants with the registration process, providing guidance and support to ensure smooth and efficient enrollment.

National ID registration offers numerous benefits, including a more streamlined and secure way to access various government services and benefits. By participating in

this registration drive, residents of Agusan del Sur can take a significant step towards a unified national identification system that enhances access to essential services and promotes greater inclusivity.

The Naliyagan Festival is a vibrant celebration of the rich cultural heritage and unity of the people of Agusan del Sur. The Provincial Statistical Office invites everyone to visit their booth at the Naliyagan Grounds to take advantage of these valuable services. This is an excellent opportunity for community members to participate in the PhilSys registration, all while enjoying the festivities and the spirit of community.
