*Demetrio T. Deiolde, Jr., Supervising Statistical Specialist/OIC of PSA Agusan del Sur Provincial Office, delivering an engaging presentation at the Provincial Development Council Meeting*

Prosperidad, Agusan del Sur - The Philippine Statistics Authority (PSA) concluded a successful presentation of the 2022 Community-Based Monitoring System (CBMS) Results and the Provincial Product Accounts at the Provincial Development Council (PDC) meeting held on April 4, 2024.

The meeting, which took place at the Sangguniang Panlalawigan Session Hall, 1st Floor Legislative Building, Gov. Democrito O. Plaza, Government Center, Prosperidad, provided a platform for in-depth discussions on crucial socioeconomic data and economic indicators.

Mr. Demetrio T. Deiolde, Jr., Supervising Statistical Specialist/OIC of PSA Agusan del Sur Provincial Office, delivered insightful presentations on both the CBMS Results and the Provincial Product Accounts. The CBMS Results presentation offered valuable insights into community-based data, facilitating evidence-based decision-making for development initiatives.

The presentation on Provincial Product Accounts highlighted key economic indicators, providing a comprehensive overview of the province's economic performance and trends.

"We are pleased with the productive discussions and engagement during the presentation of the 2022 CBMS Results and Provincial Product Accounts," stated Mr. Deiolde. "These presentations are instrumental in enhancing our understanding of the province's socioeconomic landscape and guiding strategic development efforts."

The PSA expresses gratitude to all stakeholders, government officials, and participants who attended the meeting and contributed to the meaningful exchange of ideas and information.
