

PRESS RELEASE

PSA Recognizes Outstanding Respondents During Economic Performance Report in Caraga

Date of Release: 06 May 2025

Reference No. 2025-005

Awarding ceremony during the Report on the Economic Performance of the Caraga Region held on 22 April 2025 at Go Hotels, Robinsons Place Butuan City. PSA Caraga OIC Regional Director Guillermo M. Lipio, Jr. and DepDev Caraga OIC Assistant Regional Director Atty. Michelle P. Dela Calzada present the plaques of recognition to the representatives of Jaka Equities Corporation and Richmond Plywood Corporation.

The Philippine Statistics Authority (PSA) proudly recognized exemplary partner establishments for their continued support and active participation in the Monthly Integrated Survey of Selected Industries (MISSI) and the Producer Price Survey (PPS). The awarding ceremony was held during the Report on the Economic Performance of the Caraga Region news conference on 22 April 2025 at Go Hotels, Robinsons Place Butuan City.

“These awards are a gesture of our sincere appreciation to our partners who remain committed to providing timely and accurate data. Your cooperation enables us to generate vital economic indicators that play a key role in measuring the country’s economic performance, including the Gross Domestic Product (GDP),” said PSA Caraga Officer-in-Charge Regional Director Guillermo M. Lipio, Jr.

The PSA honored the following establishments for their outstanding contributions to the agency’s data collection efforts:

-  Jaka Equities Corporation
-  Amparo Mini Sawmill
-  Richmond Plywood Corporation

Through their prompt and reliable submissions, these companies have helped ensure the integrity and quality of the country’s official statistics. Their support is instrumental in guiding evidence-based policymaking and informed decision-making in both the public and private sectors.

The PSA extends its deepest thanks to all its respondents and looks forward to continued collaboration in the years ahead.

GUILLERMO M. LIPIO, JR.
(Chief Statistical Specialist)
