Awarding of Certificates of Live Births in Security Paper to BRAP Beneficiaries in Sitio Kapihan, Barangay Sering, Municipality of Socorro

Date of Release: 02 April 2025

Reference No.: 2025-008

SSS/OIC Avelina, RO II Trazares, and BRAP Coordinator Benial, together with CCR Paitan and LCRO staff, awarded certificates of live births in SECPA to BRAP beneficiaries.

28 March 2025 – SOCORRO, SURIGAO DEL NORTE. In coordination with the Municipal Government of Socorro, 109 Certificates of Live Births in Security Paper (SECPA) were awarded to beneficiaries of the Birth Registration Assistance Project (BRAP) in Sitio Kapihan, Barangay Sering, Municipality of Socorro.

BRAP is a joint project of PSA and Local Government Units through the Local Civil Registry Offices (LCROs) that primarily aims to increase the rate of birth registration, especially among marginalized communities. This is a significant milestone that PSA prioritizes to ensure that all Filipino births are registered in the LCROs.

Most of the beneficiaries in Sitio Kapihan are of school-age. It is important for parents and guardians to obtain and maintain accurate birth certificate records to avoid potential issues during their child's education.
